

## Northbound Route 28 Exit onto Cedar Green Road Closing On or About June 22, 2015

The VDOT Belfort Park Area Road improvement project is in its final stage of construction. This project is designed to improve access to businesses and residences located in the vicinity of Belfort Furniture through the extension of Glenn Drive to Cedar Green Road and the construction of a new four lane road, Belfort Park Drive, which provides a connection from Davis Drive to Shaw Road.

The project will also enhance traffic flow on Route 28 through the permanent closure of the exit from northbound Route 28 onto Cedar Green Drive. This closure will take place on or about June 22, 2015.

Motorists driving to the Belfort Park area from northbound Route 28 should:

- Exit Route 28 at Route 625 East/Church Road
- Turn right onto Davis Drive
- Turn right onto Belfort Park Drive

Additional information about the Belfort Park Area Road project can be obtained from the Virginia Department of Transportation at:
